

JCCC COVID-19 RESPONSES

The JCCC recognizes that, during this pandemic, the safety and health of both community/staff are even more important than ever. In response to the pandemic circumstances the JCCC is prepared to accept rental bookings with all necessary preparations/precautions.

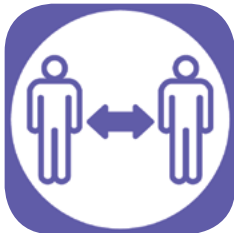

Face Masks/Face-Covering

All visitors and the JCCC staff are requested to wear face masks/coverings. Exception will be made for special health conditions.

Sanitization

Hand sanitizer stations are located throughout the building and frequently touched areas (such as doors and furniture) are cleaned regularly with alcohol based solutions.

Social Distancing

The JCCC encourages social distancing by establishing “one-way’ walkways, efficient room setup layouts, and maximizing larger rooms to accommodate rental groups. All rooms (space permitting) adhere to the government regulations of a maximum of 50 people per room.

Sign-in Log

The JCCC has implemented a sign-in log system for contact tracing. All visitors must leave their names and contact information upon arrival at the JCCC.

JCCC's Efforts/Improvements

The JCCC has improved our facilities. These improvements include auto-faucets in all washrooms, automatic main entrance doors, more effective ventilations, leaving doors/windows open for fresh air whenever/wherever possible, and safety guideline signs throughout the building.

Temperature check are also available if requested in advance.
